

Kane County Coalition for Health and Wellness

Health Education Steering Committee

Meeting Minutes 2-5-2007

The Steering committee met after the workgroups, all workgroups reported on their recommendations and plans.

1. Michael Isaccson reported for the Public Policy committee. The name of the group is changed to: Kane County Coalition for Health and Wellness.
2. Three policy statements were developed:
 - #1 Smoke Free Work Places
 - #2 Tobacco Free Nurses
 - # FDA Regulation of Tobacco
3. School wellness and daily physical education were discussed as policy statements
4. It is felt that all hospitals and FQACs should be represented on the steering committee.
5. A disclaimer statement will be developed.
6. Tina Link reported for the Assessment workgroup work will continue toward standardized assessment. All groups are to bring their materials for review i.e. referral criteria, materials given out and follow-up components. The focus is on developing a standardized screening process.
7. Maureen Obuchowski reported on the Health promotion workgroup.
8. Plans were developed to do a survey of existing coalition education programs as part of the process in developing a speaker's bureau. The survey form will be developed and disseminated.
