Kane County Coalition for Health and Wellness

Mission Statement

To improve the health of Kane County residents by supporting and sustaining coordinated efforts that provide the community with health screening/referral, assessment, education, outreach, and policy advocacy.

What is the Coalition?

The Kane County Coalition For Health and Wellness is a volunteer collaborative organization focusing on improving the health of Kane County residents and providing the community with health screening/referral services, assessments, educational outreach programs, and policy advocacies. By bringing people together from across sectors, the coalition can better target the health and wellness issues and concerns of county residents.

A few examples of ongoing initiatives include enhancing school nutrition and physical education programs, community screening programs, educational resources and policy development.

Why join the Coalition?

By joining the Coalition you will gain an understanding of current community needs. The coalition provides a unique opportunity to have your voice heard. You will also know what efforts the Coalition is recommending to enhance health care/services in Kane County.

For More Information

Additional information about the Coalition, its meetings, and meeting minutes, and many community resources can be found at the following Website:

kanehealth.com/coalition.htm

Who should Join?

Opportunity for membership is open to the business community, faith-based organizations, individuals, and social service and health care organizations.

Meetings & Workgroups

The Kane County Coalition For Health and Wellness meets quarterly. Work group meetings are scheduled periodically to create and develop new projects.
