Health Department to hold annual Well and Septic Seminar

Free water sample test kits will be given to each household that is supported by well water free of charge when you attend the Kane County Health Department's Well and Septic Seminar on Nov. 13, at the University of Illinois Extension Center, 535 Randall Road, St. Charles. Check-in and display viewing begins at 6 p.m., and the seminar begins at 6:30 p.m.

To reserve your seat please contact us at 847-608-2850. If you reach our voicemail please leave your name, phone number, address and reason for calling and we will put you on the list. Space fills up fast for this popular seminar so call today.

Please bring all of your questions as a short Q & A session will be held after the presentation.
