❖ offers ❖

Health Advisor  
Services  
for  
Child Care Centers  
with  
Infants/Toddlers

# Background

Per DCFS Licensing Standards for Day Care Centers Section 407.210, a health professional is required to visit facilities caring for infants and/or toddlers.

## Purpose of visits:

- ❖ Observe child care techniques
- ❖ Provide in-service training
- ❖ Visits are advisory and non-regulatory

## Frequency of visits:

- ❖ At least weekly during permit period (generally a six month period)
- ❖ Once per month thereafter

# Services

- ❖ Instruction and consultation on health-related policies
- ❖ Inservice training to center staff as requested by director
- ❖ On-going evaluation of child care techniques
- ❖ Observation of children for early identification of health/developmental problems
- ❖ Follow-up referrals for children with identified health problems
- ❖ Written reports of each visit shall be shared with administrative staff
- ❖ Assessment of all immunization records, if desired

# Visits

- ❖ Each required visit shall be one-hour in length
- ❖ Visits will be unannounced and made at various times
- ❖ A written report of each visit shall be shared with administrative staff on the day of the visit

# Fees

- ❖ The fee for each visit will be \$75 (Services contracted for one year period)
- ❖ Immunization audit services are provided at a per hour rate
- ❖ Inservices are available for a fee of \$125
