The Teams can be made of any four people who want to have a team. The idea is that people from area businesses/companies/workplaces, families and friends can make teams and race to see which team can run the fastest combined time.

The only rule is each team must have 1 member of the opposite sex.
(2 males-2 females, 3males-1 female, 3 females-1 male)

If you wish to enter a Team, please have each team member fill out an application and submit their individual fee. Mail all four team member entries in one envelope with this roster sheet.

If registering online at signmeupsports.com, print your confirmation page and send with this roster sheet and any other mail-in entries.
