Quality of Kane Campaign will enhance the quality of life

For over 50 years, Kane County has realized the benefits of cutting-edge planning policies designed to achieve a prosperous, more desirable county. The **Quality of Kane** campaign reflects our continuous mission to maintain and enhance an exceptional Kane County with **Healthy People, Healthy Living and Healthy Communities**.

“As we look to the future, we have integrated health, land use and transportation planning into what we call the **Quality of Kane** campaign,” said County Board Chairman Karen McConaughay. “I invite everyone to learn what the county is doing to enhance the quality of life in their communities, and to be an active participant in the process by providing input on the long range planning efforts that are underway at the **Quality of Kane** public outreach open houses.”

The series of six open houses around Kane County are scheduled for:

- Monday, April 25th, Prisco Community Center, Aurora, Room 102
- Tuesday, April 26th, Batavia Public Library, Conference Room

- Wednesday, April 27th, Kaneland High School, Library
- Monday, May 2nd, Hampshire High School, Common Room
- Tuesday, May 3rd, Sugar Grove Public Library, Conference Room
- Thursday May 5th, Gail Borden Public Library, Elgin, Community Room

All open houses will take place from 4-8 p.m. Feel free to bring your children, as there will be a special Children's Table featuring various activities in the middle of the room for them to do while you participate in the open house. Also learn about the Stearns Road Bridge Corridor, the Making Kane County Fit For Kids initiative, the 2011 Community Health Assessment and Action Plan, the Bus Rapid Transit (BRT) Study, the Long Range Transportation and Land Use Plans, Preserving Our Heritage and the 2040 Energy Plan. Students from elementary school to college interested in community design and sustainability are encouraged to attend. There will be a drawing for Kane County Cougar's tickets after each open house.
