### **Statewide Tornado Drill Tuesday March 1**

As part of Illinois' Severe Weather Preparedness Week (February 27 through March 5), on Tuesday March 1st at 1000 AM CST the National Weather Service will issue a test tornado warning for all Illinois counties. Many municipalities in Illinois will also test their tornado sirens at this time.

The Kane County Office of Emergency Management and the National Weather Service urges you to develop a safety plan for use at your home, workplace, school, and for outdoor activities. Planning ahead and knowing what to do could save your life. For more information visit the Kane County Office of Emergency Management web site at <http://www.kcoem.org>.
