CLIENT SCENARIO

Week's gestation upon enrollment: 18 weeks pregnant

Living situation: Client resides with her son. Adult children of her husband also live in the home.

Involvement of the father of the baby: FOB passed away approx. 9 months ago.

Strengths: Client completed high school and some college courses in her native country. Attends ESL classes. Small support circle of friends. Participates in group events through Kane Kares program.

Challenges: Single parent, affordable housing. Client will be selling her current home. History of postpartum depression. No immediate family for support.

Referrals given: WIC. Insurance through DHS for child. Park District and Public library programs. Counseling. Transition to school district after Kane Kares graduation.
