CLIENT SCENARIO

Week's gestation upon enrollment: 15 weeks pregnant

Living situation: Client resides with, Father of the baby (FOB) and renting a room upstairs from a property owner.

Involvement of the father of the baby: FOB is involved and supportive. Works full time from at Luke's restaurant in Carpentersville IL. FOB got married to client 7-2-18.

Strengths: Client completed high school and started college at College of DuPage but dropped out. She is very resilient in very hard situation like becoming homeless and going to live with in-law family, brother's sister. Sister-law's husband kicked them out of the house. Found a room for rent and is staying there temporarily until they can find an apartment.

Challenges: The client has several challenges, to name a few, homelessness, does not have stable job, FOB is not making enough to meet the needs they both have and client has very low credit to be able to get a place to stay.

Referrals given: Referred client to an apart complex at 850 Congdon Rd Elgin IL. Here they check credit but it does not stop the owners from renting out apartments and they accept dogs which my client has a dog.
