CLIENT SCENARIO

Week's gestation upon enrollment: 16 weeks gestation

Living situation: Lives with her parents in a single family home.

Involvement of the father of the baby: FOB with some contact. They are no longer in a relationship and client's parents would prefer she not communicate with him.

Strengths: Active in WIC, Medical Card. Recent High school graduate. Maintains regular contact with home visitors. Part time employment.

Challenges: Teen parent, limited support from FOB, family will be moving out of state and client will not have any support from FOB. Increased stress with parents regarding contact with FOB

Referrals given: WIC, Medical card, counseling services, transportation, continued parenting classes, college opportunities
