CLIENT SCENARIO

Week's gestation upon enrollment: 27 weeks pregnant

Living Situation: Client currently lives in an apartment with the Father of baby and infant

Involvement of Father of the baby: Father of baby is actively involved and supportive. He does work very long hours though

Strengths: WIC and Medicaid active, maintained all scheduled prenatal appointments and delivered baby at full term, has previously participated in ESL classes, engaged in Kane Kares visits, developing local support system

Challenges: Limited English, no immediate family in the US for support, history of prenatal anxiety. Depression postpartum

Referrals: WIC, Medicaid, counseling services, ESL classes, local support groups, local food pantries
