Coalition to host 16th Annual Community Health Fair

The Aurora African American Health Coalition (AAAHC) will hold its annual community Health Fair from 8 a.m. to 12 p.m., Saturday, June 10th at Prisco Community Center, 150 W. Illinois Ave in Aurora.

This year's theme is "Health and Wellness Matter." AAAHC partners with Kane County Health Department, Blue Cross Blue Shield of Illinois, Jewel Osco, Ascension, and HealthChoice Illinois.

The free event is open to the public and will feature exhibits and free comprehensive health screenings. There are 37 tests included in the package. Men requesting Prostate Specific Antigen (PSA) who are least age 45 or have a hereditary prostate cancer risk will receive the test at no cost.

In addition, there will be a live DJ for entertainment, exercise demos to get your body moving, and fun activities for the kids! We will have hourly raffles and big giveaways such as lots of fresh produce and household essentials. There will be plenty of healthy snacks and quick treats for the family.

To register for the FREE screening please visit <https://empower.health/> and enter client code AAAHFEHS. If you previously created an account, sign in under "Welcome Back!" Registration will close at noon on June 2. Act fast because spots fill up quickly!

Screenings are from 8 a.m. to 11 a.m. No food or drink (except water) for 8 hours before. Please drink 1-2 glasses of water 1-2 hours before your screening. Do take any prescribed medications if it is safe to do so without food.

For more information or assistance with registration, please visit www.auroraahealthcoalition.org.
