

## **Lipari Salad and Sandwich Recall Due to Possible Health Risk**

**October 03, 2019** - The Kane County Health Department is advising that Lipari Foods has issued a voluntary recall of Lipari Old Tyme Bulk Chicken Salad, Lipari Old Tyme Bulk Cranberry Almond Chicken Salad, Premo Chicken Salad Wedge Sandwiches, Fresh Grab Chicken Salad Wedge Sandwiches, and Premo Signature Cranberry Almond Chicken Salad on Croissant due to potential contamination of *Listeria monocytogenes*.

*Listeria monocytogenes* is an organism, which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, *Listeria* infection can cause miscarriages and stillbirths among pregnant women.

The product was distributed exclusively by Lipari Foods in Warren, Michigan to food service and retail stores throughout Florida, Iowa, Illinois, Indiana, Kentucky, Maryland, Michigan, Minnesota, Missouri, New York, Ohio, Pennsylvania, Tennessee, West Virginia, and Wisconsin.

This recall was brought to the attention of the company by The Suter Company whose poultry supplier Tip Top Poultry had issued a voluntary recall of an undetermined amount of ready-to-eat (RTE) poultry products that may be adulterated with *Listeria monocytogenes*. Select dates of both Bulk Chicken Salad and Cranberry Almond Chicken Salad are being recalled at this time. Both recalled items were used by JLM Manufacturing to produce select dates of Wedge and Signature sandwiches, which are also being recalled at this time. No illnesses have been reported to date in relation to these products or recall.
