Animal Control to conduct rabies vaccination clinic

With warmer weather coming soon, your pets will be spending more time outdoors. Now is a good time to take that extra step to protect that special member of your family by having it vaccinated for rabies. The Kane County Animal Control Department will be holding a rabies vaccination clinic from 9 a.m. to 11 a.m. Saturday, May 4, at the Kane County Animal Control Facility, 4060 Keslinger Road in Geneva. The facility is located at the southwest corner of Peck and Keslinger roads. Fees are payable in cash or check. Fees will be:

- 1 year Rabies vaccine: \$15
- County rabies tag: \$10 for Neutered / Spayed animals
\$25 for Non Neutered / Spayed animals
- Senior Citizens 65 or over, County tag is free
- Microchipping available: \$15

The clinic is for dogs and cats only. Please keep your pets on leashes or in carriers. Bring in your pets for a low-cost rabies vaccination!
